

Underservant Series (Super Delux)

Specification:

Model Type:	SY6480AC-ME(H)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	4970/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/2800kg
Fuel economy:	≤ 9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/10 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	491Q-ME
Displacement:	2.237L
Induction:	MFI
Maximum Power (kW/rpm)	74/4600
Maximum Torque (Nm/rpm)	193/2000-2600

Visible Parts:

Double metallic color body paint	99 model front face
Chromium-plated grill	Tinted glass
99 model rear bumper	New model decorate stripe
Brightened rear lamp	Iron wheel rim of 15 inch
Black rubber side moulding	Side heater

Seats:

9YP/10P	Foldable and Turnover Back Seats
Front Seats Sliding	Flannette covered

Built-in Parts:

General inner decoration	Driver and co-driver sun visors
Roof decorated with soft panel	Front and rear air conditioner
Driver and co-driver seats with safety belts	Rear heater
Rubber Carpeted	4 spoke steering wheel of soft material

Functional Parts:

Intermittent wiper	Rear windshield wiper
Power steering	Rear windshield cleaner
Power window of front door	Rear windshield defroster
Central door lock	Back mirror
Power rear view mirror	Power rear view mirror
Anti-theft system	

Civic Elite Series

Specification:

Model Type:	SY6480AD-ME(H)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/10 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	491Q-ME
Displacement:	2.237L
Induction:	MFI
Maximum Power (kW/rpm)	74/4600
Maximum Torque (Nm/rpm)	193/2000-2600

Visible Parts:

Upper amethyst blue and Lower silver blue paint	2003 model front face
Chromium-plated grill	Tinted glass
2003 model rear bumper	New model decorate stripe
2003 model rear combined lamp	Iron wheel rim of 15 inch
Chromium-plated anti-collision beam	99 model body side color strip
99 model rain water drain	

Seats:

9P, 11M (Optional 14M seats)	Foldable and Turnover Back Seats
Front Seats Sliding	Flannette covered

Built-in Parts:

Standard inner decoration	Driver and co-driver sun visors
Roof beam decorated with soft material	Front and rear air conditioner (A model)
Driver and co-driver seats with safety belts	Rear heater conditioner
General Carpeted	4 spoke steering wheel covered with soft material
AM/FM stereo with cassette player with 2 speakers	Brightened whole vehicle electrical switch

Functional Parts:

ABS	Rear wiper
Power steering	Rear windshield cleaner
Power window of front door	Rear windshield defroster
Central control door lock	Back ground observing mirror
99 model Power rear view mirror	Intermittent wiper
High-mounted brake lamp	Reverse radar
Electronic theft proof system	

Super Navigator Series (Classical)

Specification:

Model Type:	SY6480 B2D(H)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	11 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	2RZ-E
Displacement:	2.438L
Induction:	MFI
Maximum Power (kW/rpm)	88/4800
Maximum Torque (Nm/rpm)	198/2600

Visible Parts:

Double metallic color body paint	2003 model front face
Chromium-plated grill	Tinted glass
2003 model rear bumper	New model decorate stripe
2003 model rear combined lamp	Iron wheel rim of 15 inch
Chromium-plated water drain	Chromium-plated side moulding
Rear air disturber	

Seats:

11E	Foldable and Turnover Back Seats
Angle-adjustable Front Seats and Sliding	Flannette covered

Built-in Parts:

2D soft inner decoration	Driver and co-driver sun visors
Formed ceiling	Front and rear air conditioner (B2 model)
Driver and co-driver seats with safety belts	Rear heater conditioner
Vegetal Fiber Carpeted	Leather covered 4 spoke steering wheel
CD Player AM/FM stereo and 4 speakers	Brightened whole vehicle electrical switch

Functional Parts:

Power steering	Lighting ashtray and lighter
Power window of front door	Intermittent wiper
Centrally remote-control door lock	Wire-control gas pedal
99 model Power rear view mirror	Rear windshield wiper and cleaner
High-mounted brake lamp	Rear windshield defroster
Tilt able steering wheel	Reverse radar
Background observing mirror	

Super Navigator Series (Classical)

Specification:

Model Type:	SY6480 B2D(P)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	11 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	2RZ-E
Displacement:	2.438L
Induction:	MFI
Maximum Power (kW/rpm)	88/4800
Maximum Torque (Nm/rpm)	198/2600

Visible Parts:

Upper Toyota White & Lower Light Emerald body paint	2003 model face
Chromium-plated grill	General glass
2003 model rear bumper	New model body colorful stripe
2003 model rear combined lamp	Iron wheel rim of 15 inch
Chromium-plated water drain	Chromium-plated side moulding

Seats:

11M	Foldable and Turnover Back Seats
Angle-adjustable Front Seats and Sliding	Flannette covered

Built-in Parts:

Soft inner decoration	Driver and co-driver sun visors
Roof beam covered with soft material	Front and rear air conditioner (B2 model)
Driver and co-driver seats with safety belts	Rear heater conditioner
Vegetal Fiber Carpeted	4 spoke steering wheel covered with soft material
AM/FM stereo with cassette player with 2 speakers	Brightened whole vehicle electrical switch

Functional Parts:

Power steering	Brightened ashtray and cigarette lighter
Power window of front door	Intermittent wiper
Central control door lock	Wire-control gas pedal
99 model Power rear view mirror	Tilt able steering wheel
High-mounted brake lamp	

Under servant Series (Standard II)

Specification:

Model Type:	SY6480A 1B-ME(Q)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	4900/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	6/8 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	491Q-ME
Displacement:	2.237L
Induction:	MFI
Maximum Power (kW/rpm)	74/4600
Maximum Torque (Nm/rpm)	193/2000-2600

Visible Parts:

Toyota White surface paint	Brightened 97 model front face
Chromium-plated grill	General glass
Rear bumper with white step pedal	New model decorate stripe
General brightened rear combined lamp	Iron wheel of 14 inch with axle cap

Seats:

6Z1 OR 8Z2	Foldable and Turnover Back Seats
Front Seats Sliding	Flannette covered

Built-in Parts:

General inner decoration	Driver and co-driver sun visors
General Roof	Front air conditioner
Driver and co-driver seats with safety belts	2 spoke steering wheel of soft material
AM/FM stereo with cassette player with 2 speakers	Rubber Carpeted

Functional Parts:

Inside-opening device of rear gate
Optional: 6Z3, 8Z1, 9J, 11J, 14J seats

Under servant Series (Deluxe)

Specification:

Model Type:	SY6480A 1C-ME(Q)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	4900/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/11 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	491Q-ME
Displacement:	2.237L
Induction:	MFI
Maximum Power (kW/rpm)	74/4600
Maximum Torque (Nm/rpm)	193/2000-2600

Visible Parts:

Toyota White surface paint	99 model front face
Chromium-plated grill	General glass
99 model rear bumper	New model body colorful stripe
2003 model rear combined lamp	Iron wheel rim of 14 inch with all-spoke wheelhouse
Black rubber anti-collision side moulding	

Seats:

6Z1 or 8Z2	Foldable and Turnover Back Seats
Front Seats Sliding	Flannette covered

Built-in Parts:

General inner decoration	Driver and co-driver sun visors
General roof	Front air conditioner
Driver and co-driver seats with safety belts	2 spoke steering wheel covered with soft material
AM/FM stereo with cassette player with 2 speakers	Rubber Carpeted

Functional Parts:

Power steering
Inside-opening device of rear gate
Optional: 6Z3, 8Z1, 9J, 11J, 14J seats

Civic Elite Series

Specification:

Model Type:	SY6480AD-ME(S)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/10 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	491Q-ME
Displacement:	2.237L
Induction:	MFI
Maximum Power (kW/rpm)	74/4600

AM/FM stereo with cassette player with 2 speakers	Brightened whole vehicle electrical switch

Functional Parts:

ABS	Rear wiper
Power steering	Rear windshield cleaner
Power window of front door	Rear windshield defroster
Central control door lock	Back ground observing mirror
99 model Power rear view mirror	Intermittent wiper
High-mounted brake lamp	Reverse radar
Electronic theft proof system	

Paragon Series (Standard)

Specification:

Model Type:	SY6480BD-(H)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/10 ≥ 140km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	4G 64
Displacement:	2.35 L
Induction:	MFI
Maximum Power (kW/rpm)	95.5/5250
Maximum Torque (Nm/rpm)	196/2750

Visible Parts:

Double-tune metal paint	2003 model front face
Chromium-plated grill	General glass
2003 model rear bumper	New model decorate stripe
2003 model rear combined lamp	Iron wheel rim of 15 inch
Chromium-plated slot decorate stripe	Chromium-plated side moulding
Rear air disturber	

Seats:

9E, 10E	Foldable and Turnover Back Seats
Angle-adjustable Front Seats and Sliding	Flannette covered

Built-in Parts:

General inner decoration	Driver and co-driver sun visors
Roof beam decorated with soft material	Front and rear air conditioner (A model)
Driver and co-driver seats with safety belts	Rear heater conditioner
General Carpeted	4 spoke steering wheel covered with soft material
AM/FM stereo with cassette player with 2 speakers	Brightened whole vehicle electrical switch

Functional Parts:

ABS	Wire-control gas pedal
Power steering	Rear windshield wiper and cleaner
Power window of front door	Rear windshield defroster
Central control door lock	Back ground observing mirror
Tilt able steering wheel	Intermittent wiper
High-mounted brake lamp	Reverse radar
Power rear view mirror	Lighting ashtray and lighter

2D soft inner decoration	Driver and co-driver sun visors
Roof beam decorated with soft material	Front and rear air conditioner (A model)
Driver and co-driver seats with safety belts	Rear heater conditioner
General Carpeted	4 spoke steering wheel covered with soft material

Functional Parts:

Power steering	Rear windshield wiper and cleaner
Power window of front door	Back ground observing mirror
Central door lock	Intermittent wiper
High-mounted brake lamp	Reverse radar
99 model Power rear view mirror	

Super Navigator Series (Super Deluxe)

Specification:

Model Type:	SY6500 B2D (H)
Overall dimension: Length/ width/ height: Wheelbase: Front/ Rear tread width:	5070/ 1690/ 1935mm 2590mm 1450/ 1430mm
Capacity: Curb weight/ Maximum Total Mass:	1700/ 2800kg
Fuel economy:	≤9.8L/ 50km
Performance: Passengers: Max. vehicle speed:	9/10 ≥ 130km/hr
Front Suspension:	Independent Suspension by double beams with torsion bar spring
Rear Suspension:	Longitudinal Plate Spring
Fuel Tank Capacity:	70L
Emission Standard:	European II

Engine:

Model:	2RZ-E
Displacement:	2.438 L
Induction:	MFI
Maximum Power (kW/rpm)	88/4800
Maximum Torque (Nm/rpm)	198/2600

Visible Parts:

Double metallic color body paint	2003 model front face
Chromium-plated grill	Tinted glass
2003 model rear bumper	New model body colorful stripe
2003 model rear combined lamp	Aluminum alloy wheel rim or 15 inch
Chromium-plated rain water drain	Chromium-plated side moulding
Rear air disturber	

Seats:

9D, 10D	Foldable and Turnover Back Seats
Rotate able Front Seats and Sliding	Genuine leather covered

Built-in Parts:

2D soft inner decoration	Driver and co-driver sun visors
General roof	Front air conditioner
Driver and co-driver seats with safety belts	2 spoke steering wheel covered with soft material
AM/FM stereo with cassette player with 2 speakers	Rubber Carpeted

Functional Parts:

Power steering
Inside-opening device of rear gate
Optional: 6Z3, 8Z1, 9J, 11J, 14J seats
