

UPS-600CL

Category: Line Interactive UPS

Description: UPS-600CL

SPECIFICATIONS: Rated operation voltage: AC 220V
Rated input capacity:600VA/360W
Rated operation frequency: 50Hz/60Hz
range of input Voltage: AC 175V~275V
Output voltage: AC 220V~10%
Transfer time: < 10ms
Battery model: < 12V/7AHx1piece
Back-up time:600CL>Over 10 min(one PC.17" colour display)
Charge time: ≤10 hours
Operating temperature: 0°~40°
Operating humidity: 10-90% RH, non-condensing.

Remarks : LED display
High/low battery power protection
Strong load compatibilty
Cool start function
Overload,short circuit protection
Huge waves overload protection
Output noise fitter function
Tel/Fax/Modem protection ports
