

KONICA MINOLTA

bizhub Di3010

bizhub design gives you a central resource for information – an ideal solution for small to mid-sized businesses, departmental workgroup and branch offices, with the quality and reliability you count on from Konica Minolta.

30 ppm print/copy speed with workhorse 135,000-page monthly duty cycle to meet heavy document demands.

Modular finishing options: your bizhub Di3010 can sort, group, staple, hole-punch, even make saddle-stitch booklets.

Point-and-click desktop printing with your choice of PCL and PostScript 3 Print Controller options.

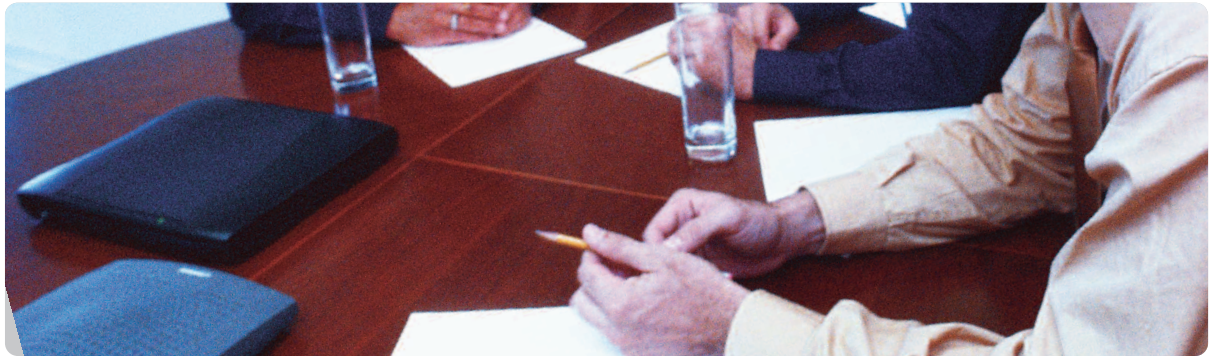

Powerful scanning options to convert paper documents to digital files – so from your bizhub Di3010, you can Scan-to-Email, Scan-to-FTP, Scan-to-HDD, even take advantage of network TWAIN, IP scanning and URL notification – with user authentication for network scanning.

Reversing Auto Document Feeder: up to 70 scans per minute, with standard duplexing and up to 100% duplex productivity.

Tilting control panel with user-friendly menus and on-screen QWERTY keyboard for touch-type ease.

4,000-sheet maximum paper capacity, durable paper drawers, 150-sheet intelligent bypass (standard).

PageScope Software enhances networking power for both end-user and administrator: delivers fast, flexible access to scanned documents, performs OCR, enhances images, converts file formats, integrates with enterprise systems, downloads total meter reads and more.

Digital Printer/Copier/Scanner. A central document resource to make information move faster. With fast scanning, printing, copying. Powerful finishing options, to save time and money. Plus PageScope software to manage all your documents and devices – in one cost-effective digital solution.
